Key: E minor | ■ = 120 | Time: 4/4

1                    2                    3                    4

This diagram shows a repeating pattern of notes on the 3rd string across four measures. The notes are indicated by vertical bars at the 0, 3, and 5 positions. Above each bar, there is a small 'h' symbol, likely indicating a hammer-on technique. The 5th measure begins with a vertical bar at the 3 position.

5                    6                    7                    8

This diagram shows a repeating pattern of notes on the 3rd string across four measures. The notes are indicated by vertical bars at the 0, 3, and 5 positions. Above each bar, there is a small 'h' symbol, likely indicating a hammer-on technique. The 5th measure begins with a vertical bar at the 3 position.

9                    10

This diagram shows a repeating pattern of notes on the 3rd string across two measures. The notes are indicated by vertical bars at the 0, 3, and 5 positions. Above each bar, there is a small 'h' symbol, likely indicating a hammer-on technique. The 5th measure begins with a vertical bar at the 3 position.
